F. Tom Hatcher

To the Voters of the 10th Congressional District:

The time between now and the August primary is so short that it is necessary for me to submit my candidacy for the Democratic nomination as a member of Congress in this manner.

I have always been a consistent Democrat, giving the party my whole-hearted support, both in time and money. I have had experience with legislature bodies and a m personally acquainted with each Democratic member of the Kentucky delegation in Congress, which fact would be of material help in obtaining desired legislation.

If nominated, I promise you a

most aggressive campaign, with the firm belief that I will be elected in November.

Your active support is respectfully solicited.

A Card to the People

To my fellow Citizens of the enth Congressional District:

4

Last February I announced my ndidacy for Congress on the emocratic ticket from this disict. I got in the field early ter mature deliberation and nsultation with my friends. I ped to have no one to get in the eld against me. In experience, aining, mental equipment, and whole hearted desire to serve. feel justified in asking that I be ven this nomination. I have no olitical record to explain as have ver been in politics. I am on rounds of good will with the epublicans as well as Democrats have had a large experience as public speaker and can defend yself before any crowd any-

To win this election this fall, e must be removed from mean olitical passion; we must not be partisan; we must be able to peal to the sober judgment of en and women irrespective of rty. It is not going to be a emocratic victory only; it is gog to be the rising tide of public inion against a man rather an a party. Our nominee must able to keep clear of partizanip. If you give me this nomation, I promise you and the cople generally a clean fight sed on grounds of sober judgent an appeal to hearts and inds and consciences of men d women generally and not uched in terms of mere party amor. That way lies victory rall, any other way leads to deat and disappointment.

Yours truly,

K. L. Varney.
